REPORTS.

REPORT ON LETTERS AND DOCUMENTS.

We find on examining the letters from the churches that very many report revivals and large additions. For this we have reason to thank God and take courage. And we would urge the churches to train these new members for the Master's service.

We find that eleven of our churches report no Sabbath Schools.

We are glad to learn that so many report prayer meetings and have made contributions for the Mission cause during the past year.

We find that Pilgrims Rest Church has licensed Brother Jas. M. Todd to preach the Gospel.

Plantersville Church has asked that the next session of the association be held there. We so recommend it.

We notice that the Autaugaville Church has had no preaching during the past year, and asks for some suggestion in regard to their church and property. We would insist on the church holding fast to their organization and property, and recommend that the association take such action as shall give them a supply for the coming associational year.

Beth Salem Church reports through its delegate that they have had only occasional preaching, but no regular pastor.

All of our churches are represented this session either by letter or delegate, except Bethel.

We would recommend that Fellowship Church be placed in the First District, and that Sardis, Pleasant Grove and Chestnut Hill be placed in the Fourth District.

Respectfully submitted,

W. J. RUDDICK, Ch'n.

REPORT ON BIBLE SCHOOLS.

To the Unity Association:

We have no information on this subject on which to base a report that will show the standing of the grand cause in the territory covered by your body.

We expected to have had the figures that would be reported to our Associational Convention as data from which we could report to this body the increase or decrease of this very important work.

The convention was not attended as it ought to have been; not one minister of our own association being present, and two from other associations, consequently we must look to other sources for information.

As far as we can learn the Bible School work is largely on the increase. Churches that to our knowledge have had no Bible School for a long time, now meet regularly every Lord's day for the study of God's word.

Brethren, we are glad of this, but one fact makes us sad, and it is this: The work of the Bible School is dependent in each church on a *very few* faithful men and women, whose hearts God has touched, and who have the salvation of souls at heart.

This ought not to be. The Bible Schools are church work and ought to be carried on by the church, and ought to have the sympathy, prayers and presence of every member of the church (who is not incapacitated from attending) every Sabbath day.

As to the importance of the Bible School work it is almost needless to say anything. We all know its beneficial influence on our older members by stimulating them to more zeal in the Master's causes; on our young

members in training them for the Master's service, and stirring their minds with precious truths, that they may grow in grace and in the knowledge of our Lord Jesus Christ; on our young people and children that they may be led to the Savior.

It is our belief that the grand object of all Bible School work should be the salvation of souls and the training of our rising church membership. We would urge upon our brethren in the ministry that they foster this grand interest. It is one that helps them in their pastoral work and stimulates them to a more earnest study of God's word. Let our teachers be men and women who know from experience that the Lord is good and then they can invite others to go with them.

Finally, brethren, do not let us *send* our children to the Bible School; let us *go* with them, that our presence may encourage others to do likewise.

Let us take that blessed word of God with us, and with the assistance of our helps we will get the benefit of the wisdom from the ablest minds in our denomination in its study.

Respectfully submitted,

W. J. RUDDICK, Ch'n.

REPORT ON MISSIONS.

Your Committee on Missions submit the following report: We as an association do well as all the churches of which this body is composed profess to be missionary bodies. The question arises, "Do we show our faith by our works." There are connected with our churches about members. The amount suggested by our State Board that they desired us to raise this year was \$700. At our last session the churches by their representatives were called on to state how much of this sum they would endeavor to raise in their respective churches, and the amount the delegates then said they would endeavor to raise aggregated \$668.33. How much of this sum has been raised? Your committee are unable to state. Some of the churches have exceeded the amounts there stated, but from the information we have received we fear that many of the churches have fallen short. At that time we had 1552 members. Seven hundred dollars divided among them would be about forty-five cents per member. If every member would contribute according to his ability we could raise a much larger amount. And when we see the fields all open to us, and already white to the harvest, shall we not say "Men of Israel, help?" Workers now in the field within our own state we have forty men, a part of the year we had sixty-five, for the whole or part of their time.

In foreign fields we have: In Mexico, 11; in Brazil, 12; in Africa, 9 and several native assistants; in Italy, 14; in China, 32 missionaries and probably as many native assistants.

In the home mission field the Board has had the past year two hundred and fifty men. From peculiar circumstances the Cuban mission has been committed to this Board.

The glorious work and grand success of this mission, so far as we are informed, has not a parallel on the American continent.

Brethren, let us "come up to the help of the Lord against the mighty" lest the curse of Meroz should fall upon us. The Macedonian cry, "Come over and help us" comes from every quarter.

Brethren, a great and grand opportunity is before us. "Let us go up and possess the land for we are able." "Let us expect great things from our God." "Let us attempt great things." In all our churches let us take up collections for this great work at least once a quarter, if not once a month or oftner, and let our prayers go up with our contributions.

"To do good and communicate (that is to contribute), forget not, for with such sacrifices God is well pleased."

Respectively submitted,

W. T. SMITH, Ch'n.

REPORT ON TEMPERANCE.

Your committee are glad to report the rapid growth of public sentiment in favor of the great cause of temperance. The question of legal interference has been settled and now no longer doubted. The great good resulting from the prohibition of the sale of intoxicants is clearly seen in every community where it prevails, prosperity and quiet now reigns where revelings and disorder ruled the hour. Much yet remains to be done. The field is inviting. The masses are awakening to the great movement. Let all Christians unite and by earnest prayer, faithful labor and consistent example, hasten the glorious day of deliverance. The churches should take high ground. Let them see that Bible teaching on this subject be rigidly enforced. As a denomination we should not be satisfied short of entire and absolute prohibition, and we should earnestly labor to this great end, and, by the blessing of the Lord upon us, success will crown our efforts.

Respectfully submitted,

J. H. RAY, Ch'n.

REPORT ON EDUCATION.

Your committee to whom was referred the subject of education beg leave to report that as God has endowed his creatures with mental faculties, it is our duties to cultivate them. Parents cannot afford to neglect the moral and mental training of their children. As the spirit of the age demands an education, perhaps, more than any past generation, it behooves us, as Baptists, to keep pace with the times, in order that Bible truth may be presented unsullied and defended in the future as it has been hitherto. As the world grows older, the machinations of Satan grow stronger; cavers and infidels embolden, and multifarious societies are being organized from time to time in imitation of the Church of Christ. It is our duty to enable our young ministry to obtain a liberal education, that they may be able to compete with opposition, and correct error by contending *advisedly* as well as earnestly for *the faith once delivered to the Saints*. We recommend, therefore, that the association foster that class of education, but use precaution in the selection of beneficiaries. We need men who have been called of God, not only regenerated, but consecrated to the ministry, so enthused with the spirit of their calling as to be propelled into the nooks and corners, regardless of city salaries, for we insist that the less informed need the more intelligent ministry. We believe that such a course would arouse a general interest, and soon all our brethren would see the necessity and come up to help of the Lord against the mighty with contributions for their education.

But in our zeal for the young men, let us be reminded that woman, also, has excellent talents worthy of culture, for it is now manifest that her work is more available than we once thought. Since God is so signally blessing her organized mission work, let us not depress her usefulness by neglecting her education. For the girls we recommend the Judson and the Central Female Colleges. For the young men, Howard College and the Seminary at Louisville.

We are informed by the President of Howard College that Brother J. M. Kailen, from our association, is there this year, and has so demeaned him-

self as to receive the eulogy of being a good, studious and worthy young man.

Respectfully submitted,

HARDY JONES, Ch'n.

REPORT ON PERIODICALS.

The *Alabama Baptist* is the recognized organ of the Baptists of the state, endorsed by the State Convention and nearly all the various associations. It is a necessity in our families, being an exponent of Baptist ideas and doctrines; it furnishes information that cannot be obtained from any other source in the state about our denomination. We would urge upon all who are able to subscribe, and give it that circulation which it deserves, and we hold that it is the duty of those Baptists who read to sustain it.

For Sunday Schools we would recommend the literature published at Atlanta, Ga., by the Home Mission Board, which will prove a source of great interest both to children and to adults. This literature has a very large circulation, and has the hearty endorsement of the Southern Baptist Convention. We also recommend the literature of the American Baptist Publication Society. As its publications teach and disseminate the doctrines for which the Baptists are distinguished through the civilized parts of the world. The extensive circulation of denominational literature begins and erects the foundation of permanent denomination prosperity.

The report is respectfully submitted,

J. M. CLAY, Ch'n.

ARTICLE OF FAITH.

1. We believe in one only living and true God—the Father, Son and Holy Ghost ; these three are one—1 Corinthians 8:6; Deuteronomy 6:4; Matthew 28:19; 2 Corinthians 13:14; 1 John 5:7.

2. We believe that the Scriptures of the Old and New Testaments are the Word of God, and the only correct rule of faith and practice—2 Peter 1:21; 2 Timothy 3:16.

3. We believe in the doctrine of election, and that God chose His people in Christ before the foundation of the world, through sanctification of the Spirit and belief of the truth—1 Peter 1:25; Ephesians 1:4; 2 Thessalonians 2:13.

4. We believe in the doctrine of original sin—Romans 3:23; 5:12; 3:10.

5. We believe in man's inability to recover himself from the fallen state he is in by nature—Romans 5:6; John 6:44; Ephesians 2:1-5; 5 Philippians 2:13.

6. We believe that sinners are justified in the sight of God only by the imputed righteousness of Christ—Romans 5:1; Galatians 2:16-20.

7. We believe that the saints shall persevere in grace and never finally fall away—2 Corinthians 12:9; Collossians 3:4; Romans 8:38-39.

8. We believe that baptism and the Lord's Supper are ordinances of the church of Christ, and that true believers are the only proper subjects, and that immersion only is baptism—Matthew 3:5, 6, 13, 16; Acts 2:37-38; Acts 8:38-39.

9. We believe in the resurrection of the dead and a general judgment. Acts 17:31; John 5:28-29.

10. We believe that the joys of the righteous and the punishment of the wicked will be everlasting—Matthew 25:46.

11. We believe that no minister has a right to administer the ordinances except those who are called of God and have been regularly baptised, approved by the church, and come under the impositions of hands by a Presbytery—1 Timothy 4:14; Acts 26:16.

12. We believe that none but regularly baptised believers have right to partake of the Lord's Supper—Acts 2:42-44; 2 Corinthians 6:14; 1 Corinthians 11:23, 29.
